

VERY IMPORTANT: Do NOT use the Remove Account option unless you are absolutely sure. By removing the account, it will Factory Reset the ONT (Modem).

Username	Tap on this to see the account info (username/Password) used to create the account. This is where you can remove your account from the App if you choose but first read the VERY IMPORTANT Message above!
Language	Allows you to change the language of the App
Alerts	Allows you to turn ON or OFF Alerts from the App
Set Passcode	Allows you to set a separate Passcode for this App if the device this is on is used by multiple people. Example is the App is on an iPad that the parents want to use to control settings but the kids also use this iPad to play games. The passcode prevents them from accessing the App and making changes to the Modem/Router.
Terms & Conditions	Self-Explanatory
Privacy Policy	Self-Explanatory
About	About the App and also shows the version of the App
Logout	Logs you out of the App (Requires you to log back in to the app with the account info from the Username section)
